

Taisuke Koyama PDF Photo book "SANDWICH Textures PDF"

A New PDF Photo book "SANDWICH Textures PDF" is on sale via download on 2011.3.19. The sales of this book will be donated to Japan Red Cross for The 2011 off the Pacific coast of Tohoku Earthquake.

This PDF contains 24 photographs of Kohei Nawa's live drawing and the trace of his drawing on the wall of his studio in our trial session we had in his studio. It also includes 24 JPG images of this series in iPad display size.

This works are planned to be published as one of "LUMEN" series from artbeat publishers in early summer 2011. In advance to this publishing, I have decided to publish this contents from taisuke koyama projects via download on agreement with artbeat publishers.

This package can be purchased until 2011.4.11. The total amount without PayPal commission fee will be announced in my website (<http://www.tiskkym.com/>) and twitter (@taisukekoyama) and donated to Red Cross.

Even though this project may cause various opinions, I would like to take an action by introducing my new works to people who like my works, and by donating the sales to those who are in such an extraordinary hard situation.

I would like to thank for Kohei Nawa, SCAI THE BATHHOUSE, artbeat publishers and G/P gallery who assisted for this project. This project was carried out by Yuma Harada (UMA/design farm), Sawako Fukai and Naoko Iida's sincere support.

I sincerely pray for all the people who are in the damaged areas, and who have their family and friends in those areas to overcome this situation.
